Friday 17: Workshop on community networking infrastructures

Workshop organized by Barcelona municipality and actively supported by netCommons
<http://netcommons.eu/?q=content/workshop-community-networking-infrastructures>

The event on the 17 is in another place. Link there: <http://netcommons.eu/?q=content/workshop-community-networking-infrastructures>

Saturday & Sunday 18-19:

guifi.net annual meeting & discussion. NetCommons actively supports the interaction with guifi.net during this event.

Logistics

The meeting will be held in the UPC university campus: [C6 building](#), room C6-E106 (there is another reserved room, C6-220 for parallel sessions) D6 is the blue building and C6 is the red building. Exact address is:

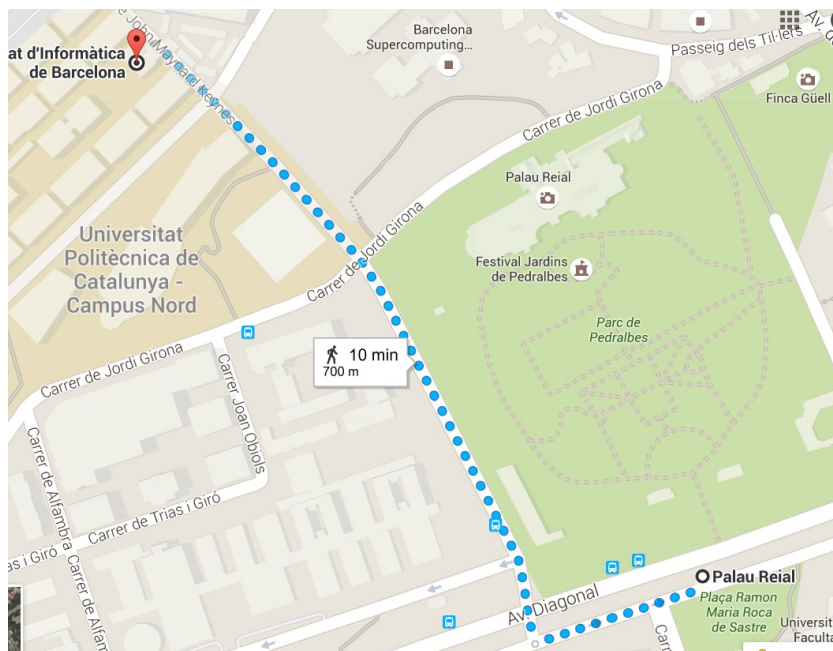

Campus Nord UPC D6 Building / C6 Building
Jordi Girona 1-3

How to get there:

From the airport you can take a Bus (Aerobus) or Metro (L9) or a taxi.

To come to UPC you can take the L3 metro (green line) direction “Zona Universitaria”, get down in "Palau Reial", and leave through the farthest exit (across a tunnel). You'll be in Diagonal street in front of a palace/garden. Walk to the left, and taking the street uphill you'll reach the UPC campus.

To move around Barcelona in public transport is recommended to buy a T10 card (10 trips for a

reduced price). You can buy it in stations and newspaper shops.

Visual instructions here: <http://www.ac.upc.edu/en/location> (look for “Campus Nord”).
